AUSPROTEC™

Create a safer working environment

Heavy duty 6 way battery isolator bracket

Create a safer working environment for maintenance staff and increase security for mobile equipment with RCT's 6 way Isolator Lockout Bracket. This bracket suits the common Cole Hersee/Britax style battery isolators and provides a positive lockout in the off position; ensuring the safety of staff working on or around the machine, and reduces the likelihood of theft.

By utilising 5 additional lockout positions this unique product enables the machine to be locked out by multiple personnel.

Features

- Heavy duty construction
- 6 way lockout functionality
- Designed to fit switches without the removal of the switch or wiring
- Compact design - 70 x 55 x 60mm
- Powder coated stainless steel construction
